

# Peace of mind and security built into every closing.

Buying a home is a big deal and protecting it is our priority. That's why Clear Title Agency of Arizona uses Closinglock, a secure platform built to prevent fraud, simplify communication, and keep closings on track.

## Complete Tasks Quickly and Safely

Verify your identity to prevent impersonation fraud.

Upload and sign your documents electronically.

Conveniently pay closing funds digitally or download secure wire instructions.

The fastest and most secure way to send your payment is directly through Closinglock via SecurePay. Every transaction is insured up to **\$5M** and you can skip the trip to the bank.

**Closinglock is the safest and most secure way we'll share wire instructions.**

If you receive payment instructions via email, text, or from someone else, call us immediately before taking action.
